ABOUT ME

I'm Samad, a dedicated Frontend Developer with strong skills in HTML, CSS, JavaScript, and responsive design. Currently studying at Aptech, I'm focused on building clean, user-friendly web interfaces and constantly improving my development skills. I'm passionate about creating modern, functional websites and committed to growing as a developer in the tech industry.

EDUCATION

2013-2024 All Saints School	Matriculation I completed my matriculation from All Saints School, Block 7, Gulshan-e-Iqbal, Karachi. The school provided a strong academic foundation and a supportive environment that helped me grow both academically and personally.
2024-Present Gulsahan College	Intermediate I am studying at Government Degree Science and Commerce College, Gulshan-e-Iqbal, Karachi, and have completed my 1st year in the [Science/Commerce] stream.
2024-Present Aptech Computer Education	ACCP – Aptech Certified Computer Professional I am currently enrolled at Aptech Computer Education, where I have completed 2 semesters and am now in the 3rd semester of my diploma program in [Your Field, e.g., Software Engineering or Web Development]. Aptech is helping me develop strong practical skills in programming, web development, and other essential IT areas.

EXPERIENCE

2024-Present Aptech Computer Education	E-Projects – Team Lead While studying at Aptech Computer Education, I led my team in multiple E-Projects, applying my skills in HTML, CSS, JavaScript, PHP, and MySQL. Although I don't have formal work experience, these projects gave me hands-on practice in project management, teamwork, and technical problem-solving.
